Dear Mr Ho

Approved List of Soft Landscaping Maintenance Contractors

Further to your application for admission onto the approved list of soft landscaping maintenance contractors of the Housing Society, we are pleased to inform you that your company's name is included onto the above approved list of soft landscaping maintenance contractors. Should there be any change in your company, please notify the Housing Society accordingly. The Housing Society has an appraisal / penalty system in assessing the performance of the contractors. A quarterly performance assessment would be made if contract is awarded.

Please note that as recommended by the ICAC, the service contractors are suggested to promulgate a Code of Conduct for compliance by their staff. This is a corruption prevention measure to reduce the likelihood of malpractice by contractor's staff. Enclosed is a booklet published by the ICAC for your reference. The advisory Service Group of ICAC is able to assist you in complying your codes in case you need assistance.

The Housing Society aims to provide quality service to the residents under its management at all times. We look forward to your contribution in achieving this goal.

Yours sincerely

Annie Wong (Mrs)
Senior Manager (Property Management)
